

Say Goodbye to EFTPOS Fees WITH HB PAY EFTPOS

Whether you're looking to reduce your EFTPOS bills or eliminate them completely, HB Pay has the right solution for you, ensuring your merchant EFTPOS bill is minimal or even non-existent.

Incredible Cost Savings for Salons

Say Goodbye to EFTPOS fees and merchant bills with HB Pay. Our intuitive terminal seamlessly calculates and passes on the card charges to the consumer.

Fully Integrated

Eliminate mistakes made at sales. The sale amount is sent directly to the terminal, eliminating the possibility of human error.

Simple to Use

Easy to install, get started and accept payments in minutes.

Next Business Day Settlements:

Get paid into your existing bank account on the next business day*.

Extra Reporting

Additional reporting specific to HB Pay, making end of day easier.

Great Support

Our support team is always on hand to help, with additional support from the financial providers when needed.

Reprint Receipts

With HB Pay 2.0, easily reprint merchant and customer copies along with the sales invoice.

Latest Technology

State-of-the-art wireless terminals that offer not only advanced functionality but also the freedom of mobility.

Experience the ultimate convenience for
hair and beauty professionals

Experience Incredible Savings

Join the multitude of salons that are now enjoying monthly savings ranging from \$200 to \$700 or more.

The average saving is \$3,840 annually.

HB Pay is powered by leading Australian financial institutions and seamlessly integrates with your Hairware & Beautyware software. We offer several options and can tailor the best solution for your business.
